Subject: QAPP Slip Sheets  
Albion-Sheridan Township Landfill  
Project No.: M506E0701300-11

Dear Mr. Peterson:

The enclosed slip-sheets were inadvertently left out of the Quality Assurance Project Plan (QAPP) in Appendix D of the Remedial Action Work Plan dated August 1997 for the Albion-Sheridan Township Landfill site located in Calhoun County, Michigan. The slip-sheets need to be inserted into Attachment A (Standard Operating Procedures for Laboratory Tasks) in SOP No. CORP-OP-0001. Pages 1 and 2, and 63 through 90 were inadvertently left out when reproducing this document. The clerical error was not recognized until recently. This situation had no effect on the analytical results for the site, but we felt it necessary to transmit these pages so your copies of the document were complete.

Thank you for your cooperation in this matter. Please call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "John Seymour".
